The uniform is worn with pride. It is a way to demonstrate that students have made to join the DPS community. It is a symbol of pride and their commitment to fully embrace the values and spirit at our school. Our policy is that all children should wear clothing that is in keeping with a purposeful learning ethos. We also believe that certain school activities are facilitated by specialized and appropriate clothing (including organized events outside normal school hours). There is an expectation that students will comply with the dress requirements and that valuable school time will not need to be diverted to following up on breaches of school uniform policy.

Uniform is compulsory during school hours and for all school functions, including all instances where the students represent the school outside . it must be neat and clean every day .
