

One Root, One Communi-Tree

OROC -One Root One Communi-Tree Campaign 2023

Dear all

We are calling on everyone to unite and participate in the “**One Root, One Communi-tree**” (OROC) project which aims to collect and deposit any multiple recyclables mentioned below for recycling and achieve the set target.

You can drop off the recyclables at the designated area of Primary/ Senior Wing from **1ST OCTOBER TO 21ST NOVEMBER**. The same can be dropped off at the school even if the child is not attending school. By recycling, we are doing our part for the environment. Not only will this help reduce waste in landfills, but it also sets an example for all about how important it is to take care of our planet.

We are pleased to announce that Delhi Private School has registered for the following recyclables-

RECYLABLES
1. PAPER
2. PLASTICS
3. ALUMINIUM CANS (Rinse before recycling)
4. E-WASTE
5. MOBILE PHONES

Thank you for your support in helping us reach our goal of a greener and more sustainable future. Let’s join hands in promoting an environment-friendly culture in the community.

Warm regards
Environment Department
Delhi Private School, Sharjah
